

Wisconsin Vintage Alleys Tour

Three Vintage Centers . . 14 Lanes of Bowling Bliss on Wood

If you love Wisconsin bowling history, this tour is a fun and interactive way to explore and bowl in some of bowling's historic landmarks.

The World Famous Holler House - Milwaukee

Human pinsetters & manual scoring is a throwback to yesteryear. Holler House has the oldest USBC certified bowling lanes in the world! You do not want to miss this bowling experience.

Sanders Super Bowl – Milwaukee

This family operated center is in the heart of the City of Milwaukee, with beautiful Brunswick Gold Crown equipment throughout. We'll enjoy lunch while bowling here.

Shorewood High School – Shorewood

The only known bowling lanes on a Wisconsin high school campus! The four lanes were added to the school rec department facilities in the 1950's, and went through renovation in 2011 to restore the wood lanes while maintaining "old school" scoring.
