

WI HIGH SCHOOL BOWLING CLUB

2022-23 Team Co-op Application

CO-OP TEAM RULES:

- Teams from up to five different high schools can apply for a co-op team. No team applying for a co-op can have students from their school on any other team or co-op. All students from the same school must bowl on the same co-op. Co-op students are eligible for state tournament team and singles events.
- All co-op applications MUST be in BCAW's office one week prior to the start of your district's competition.
- The approval for a co-op team is for one bowling season. No team will be grandfathered from year to year.
- A co-op's division is determined by adding all of the schools' student populations together.
- Copies of team co-op applications must be sent to district coordinators for their review and input before seeking BCAW approval.
- Co-op applications must include all Varsity and JV team rosters from the schools involved in the application request.
- Co-op team rules apply to both Varsity and JV teams.
- All schools (teams) must be within the same HSBC district when applying for a co-op.
- Co-op team names will include names of all schools/cities involved.
- Two separate teams from the same district may combine and apply for co-ops for the sole purpose to form a separate girls and boys team.

Varsity Teams

- If a school has seven eligible students from the same school you are not eligible to apply for a varsity team co-op. No school can cut or deny any student a roster spot to obtain/create a co-op.
- To bowl on a varsity team all students must be in 9th-12th grade.

JV Teams

- Students from other schools will only be allowed on JV, although not eligible for state tournament
